OSP

Tension fitting - 30
CTC cable 6.4 mm - 7.1 mm

Product characteristics

| | |
|-------------------|--------------------------------|
| Cable diameter | 6.6 mm |
| Number of cables | 1 |
| Family | Connecting-/branching terminal |
| Material | Steel |
| Surface treatment | Other |
| Max. tensile load | 1350 N |
| Max. tensile load | 1350 |

Application

| | |
|------------------|-----------------|
| Application area | OSP accessories |
