

Modular access chamber Z6-P1M

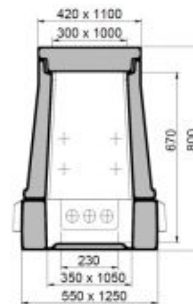

1000 x 300 x 700 mm (inside lwxh)

Article number: 400461

Date: 16-04-2024

OSP

Modular access chamber Z6-P1M
1000 x 300 x 700 mm (inside lwxh)

Product characteristics

Family	Rectangular
Material housing	Polyethylene
Cover	Yes
Number of covers	1 st
Material cover	Polyethylene
Weight cover	13 kg
Frame	Yes
Number of inlets	12 st

Application

Application area	OSP distribution boxes
Place of installation	EN124 - group 1 and group 2

Mechanical specification

Max. load	EN124 - class B125
-----------	--------------------

Environmental specification

Separable	Yes
Number of modules	2 st
Loading requirements	0.5 m
