

ACE divisible connector

ACE divisible connector

Group: ACE divisible connector

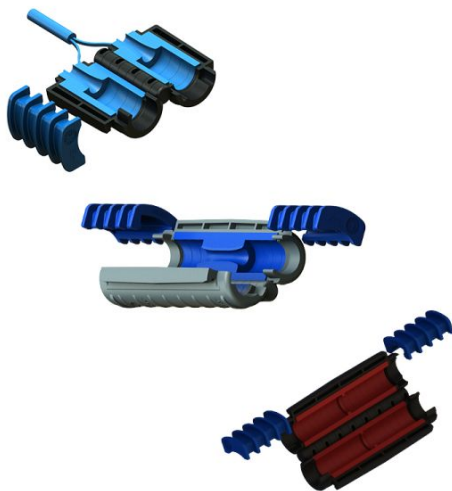

Date: 05-12-2022

Three versions of the re-usable divisible connector exist:

- Divisible tube connector straight
- Divisible tube connector straight with gas-block functionality
- Divisible tube connector end with end stop and gas-block functionality

All divisible connectors have high retention with the connected tube. Divisible tube connectors with gas-block functionality has a wide sealing range and offer also good retention on the cable.

All divisible tube connectors can be installed without tooling.

Product characteristics

Way of locking	Clip
Tube material	HDPE
Material connector	Plastic
Re-usable	Yes

Application

Application area	OSP connectors, end caps, gas block
------------------	-------------------------------------

Logistical specifications

Unit	piece(s)
------	----------

Products

Article number	Type	Tube outer diameter 1	Tube outer diameter 2	Outer diameter	Cable diameter (min..max)	Tensile load
510460	Gas-block	7		26,7 mm	1,5/3,8 mm	175 N
510496	Gas-block	10		29,8 mm	1,8/4,5 mm	300 N
510462	Gas-block	10		29,8 mm	4,5/6,5 mm	300 N
510466	Gas-block	12		33 mm	5,0/7,7 mm	300 N
510501	Gas-block	14		40 mm	6,5/8,5 mm	300 N
510502	Gas-block	14		40 mm	4,6/7,4 mm	300 N
510490	Gas-block	7	7	26,7 mm	2,3/3,9 mm	175 N
510494	Gas-block	10	10	29,8 mm	2,0/7,0 mm	300 N
510497	Gas-block	12	12	33,3 mm	4,5/7,5 mm	300 N
510507	Gas-block	14	14	39 mm	6,7/9,3 mm	300 N
510475	Straight	7	7	26,7 mm		175 N
510476	Straight	10	10	29,8 mm		300 N
510477	Straight	12	12	33,3 mm		300 N
510478	Straight	14	14	39 mm		300 N
