Multi tube cable

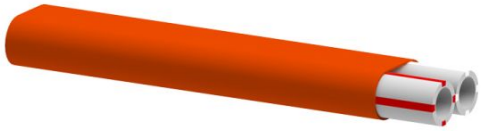

DBT 2 x 14/10 mm orange

Article number: 507402

Date: 28-03-2024

Multi tube cables are an assembly of micro or mini tubes. The ACE multi tube cable portfolio covers a complete range of assemblies with a large variety of tube numbers and tube diameters, suitable for both indoor and outdoor applications.

Multi tube cable
DBT 2 x 14/10 mm orange

Product characteristics

Optical element	Multi tube cable
Material	HDPE
Metal-free	Yes
Colour outer sheath	Orange
Number of pipes	2
Outer diameter multi tube cable	29.8 mm
Sheath thickness	0.6 mm
Number of tubes	2
Tubes type	Tube DB (thick wall)
Tubes diameter	14/10
Tubes colour options	Translucent with longitudinal stripes
Tubes inner surface	Ribbed inner surface
Tubes colour	Refer to drawing
Halogen free	Yes
Chemical resistance	No

Netto Weight (kg/m)	0.145

Application

Application area	OSP multi tube cables
Application	Outside

Mechanical specification

Suitable for	Direct burial
Min. bending radius after installation	600 mm
Tensile load	1000 N
Crush resistance	1500 N/dm
Suitbale for internal pressure	20 bar

Environmental specification

Operating temperature, flexible	-10/50 °C
Operating temperature, fixed	-40/60 °C
Transportation and storage temperature	-40/60 °C

Other specification

Marking	ACE - TKF - MC - DB - DRT - 2 x 14x2.0 mm - 507402 {Batch} {Year} {Length} M

Logistical specifications

Length on drum	1400 m
Unit	meter
Default packaging	H X 1500 / 1500
